A NEW DIMENSION IN OPERATOR SAFETY!

Victor Torch Handles are available with VanGuard™ safety features:

- Built-In Flashback Arrestors no need for accessory flash arrestors
- Built-in Reverse Flow Check Valves
- Works with all fuel gases. There are pressure restrictions for different gases. VanGuard™ Torch Handles also feature Victor traditional threaded assemblies for quick economical repair if service is necessary.

* See page 107, Section E for additional details on flashback arrestors and check valves.
